BEDECK GRAVES WITH FLOWERS

Memorial Exercises at Oakwood Cemetery This Afternoon.

MAJOR ANDERSON ORATOR

State and City Offices to Close in Honor of the Occasion.

The Oakwood Memorial Association will this afternoon bedeck the graves of the uncounted heroes who wore the gray and who find their last resting place in that beautiful and historic cemetery, this being the memorial day of the association.

The State and city offices will close at noon in honor of the occasion, and to a large extent business generally will be suspended.

The orator of the occasion will be Major William A. Anderson, who was himself a gallant Confederate officer, who bears living testimony of his devotion to the cause for which he fought.

Major Anderson, now the very able Attorney-General of his State, is an orator of brilliant attainments, and he will no doubt have a great throng to hear him.

He will be introduced by Mr. Joseph Bryan, and the music of the occasion will be furnished by Jarrell's Band. The ladies will decorate the graves with fragrant flowers after the oration has been concluded.

Line of March. Following is the line of parade: Twenty-fifth and Broad Streets to Twenty-eighth Street, to Marshall Park, passing the soldiers' and sailors' monument; Twenty-ninth Street to Broad, to Thirty-fourth Street, to Oakwood Cemetery.

The ladies of Oakwood Memorial Association have invited the following to take part in the ceremonies of the occasion, and are all requested to meet at Twenty-fifth and Broad Streets this afternoon at 4 o'clock: Lee Camp, Pickett Camp, Joseph E. Johnston Camp, Sons of Confederate Veterans, Howitzer's Veteran Association, Richmond Light Infantry Blues, Veterans Association and Richmond Blues Veterans Association.

Colonel George Wayne Anderson and his staff, with the five companies of the Seventeenth Infantry, will march to Oakwood Cemetery.

TO THE Knights Templar OF THE WORLD.

If there is any truth in this world it finds its purest expression in the relations that exist between brother Masons. When a Mason in distress seeks a brother Mason for his confidence and advice that moment the professional and commercial words are blotted out and truth comes as near being crystallized into substance as human relations permit.

Now, to the point: There are tens of thousands of Masons in the United States and the homes of many are clouded by the presence of Bright's Disease and Diabetes.

We make to you the solemn announcement that the cure for these hitherto fatal diseases has positively been discovered in this city. And we come to you with the proof that you yourselves would ask. The recoveries in this city run into hundreds and record the names of three thirty-third degree Masons, one of whom recovered himself, and two others had members of their own families saved, and this, too, after medical science had seemingly been exhausted.

It is Masonic to do good. You know some of whom this information would be literally a God-send. In their interest, in the interest of suffering thousands all over the United States, in the interest of humanity, we are permitted to give you the names of those who have been cured by the restoration of loved ones when all hope was gone, and who, knowing the truth, will tell you.

You know how to approach each other to get the eternal truth. Faithfully yours,

THE JOHN F. FULTON CO., 40 Washington Street, San Francisco. Full literature concerning the Fulton Compounds sent by mail to any address. About \$7. per cent. of all cases either fully recovered or progressed on favorably indefinitely. Owens & Minor Drug Co., Agents, Richmond.

TO ENLARGE HOLLYWOOD

Lot Owners Direct Board of Directors to Purchase Property.

The annual meeting of the Hollywood lot owners was held at the office of the association in the Chamber of Commerce yesterday afternoon. The amended constitution was adopted, the reports of the officers were received, officers for the year were elected, and matters of interest to the lot owners were discussed.

President A. Bargamin was re-elected, as was also Secretary and Treasurer R. T. Brooks. The old board of directors was re-elected.

Some discussion was indulged in concerning the extension of the limits of the cemetery, and remarks were made by Messrs. John P. Brainerd, M. M. Gilliam and L. T. Christian. A resolution, presented by Mr. Branch, directed the board of directors to look into the advisability of securing the Clark's Springs property and other property adjoining the cemetery.

Another resolution was adopted, recommending to the board the advisability of increasing the price of all lots to be sold in the future, to be raised to an amount that will cover the cost of perpetual attention to the lots. An index of names of all persons interred in Hollywood was directed to be placed in the office of the superintendent at the cemetery.

GOOD PEOPLE COMING.

Old Virginia Homes Are Passing Into New Hands.

Colonel W. Miles Cary, who in conjunction with Mr. W. E. Harris, made the sales of the two old Virginia homes on Cary's Neck, "Beaverdam" and "Dover," has several more deals of like character on his string which he hopes to consummate at an early date.

Colonel Cary is now devoting his entire time and attention to this branch of the real estate business, his main object being to help build up the waste places in Virginia.

There are many grand old homes along the James and other Virginia rivers that are now owned by people who are financially unable to keep them up to the old standard of luxury and beauty, and many of them have rather gone to ruin.

These old Virginia homes, if bought up and improved by men of large means, as in the cases of "Beaverdam" and "Dover," would scatter benefits in many directions. Colonel Cary feels greatly encouraged at his success thus far.

Colonel McCabe Goes to Mexico. James Brown Potter, who some months ago robbed Richmond of one of her fairest daughters, reached this city yesterday morning.

At 3:30 last night, Mr. Potter and Colonel McCabe went to visit Mr. Potter at his immense cotton plantation of 45,000 acres located in the State of Mexico.

Colonel McCabe will visit various points in Mexico, including the city of Mexico, and expects to be gone about a month, returning with Mr. Potter, who then sails for Europe.

Lady Managers to Meet. The Lady Managers of the Needy Confederate Home are requested to meet at the Home to-morrow morning at 11:30. Very important business is to be transacted.

Cake, Bread and Pie Sale. Next Saturday, May 13, the Lake Mission Society of Immanuel Baptist Church will hold a sale of home-made cakes, pies and bread at the Hotel Second Market, on Sixth Street.

The latter part of this month the same society will have a "pink tea" in the lecture room of the State Hotel, proceeds likewise for the building fund.

Governor at Chase City. Governor and Mrs. Montague left yesterday for Chase City. The Governor goes to spend a few days at the Hotel Mecklenburg, in order to recuperate from his recent illness.

He was quite weak, but his physicians thought he was able to stand the trip. Governor and Mrs. Montague will return next Monday.

FINE TRIBUTE TO THEIR DEAD

(Continued from First Page.) affection. Their virtues are written on the sands, their virtues are written on the sands of our hearts. And as we contemplate the purpose of this place, our thoughts wing themselves to Thee, oh, Thou who art monarch over life and ruler over death. Thou who art swift to save, gentle to chide and dealing with us as a father deals with his children. Mayest Thou bless this undertaking. May it be Thy sovereign will that they who are to lie here may come slowly to their place, and that when, in Thy wisdom, they do fall on sleep, may their slumber be undisturbed. May the rhythm of the river's rippling wave sing to them a hymn of the marching years, as they pass from the sleep of time to the awakening of immortality. Amen.

Mr. Smith Speaks. District Deputy Charles H. Banks, of Berkeley, made a brief address, and then

the monument was unveiled by little Miss Irene Kain, a niece of the late Joseph W. Laube, past exalted ruler of the lodge, who selected the site. Miss Kain, dressed especially for the occasion in which she acted her part, Mayor McCarthy was then introduced by Exalted Ruler Lawrence, and his Honor presented Mr. H. M. Smith, who was the chief orator. Governor Montague was to have delivered the oration, but was detained by sickness. Mr. Smith's speech was a most eloquent and appropriate one and was, in part, as follows:

I am sure you will all regret the absence of the distinguished orator and Chief Executive of the State, to whom was originally assigned this place upon the programme, but who is detained by sickness and whose task I humbly undertake, and am sure will most imperfectly perform.

Here in this gentle spring time, here where we return to nature and where nature is so prodigal of her luxuriant beauty; here in the presence of this sympathetic band of friends and brothers we consecrate and dedicate this spot to our dead.

Faces to the Fore. Not amid the blood and carnage of battle did we learn to know and to love those in whose memory we are here met together, but in the more trying tests of the great battle of life. No heroic call aroused them; no daily march.

They lived in this gentle spring time, here where we return to nature and where nature is so prodigal of her luxuriant beauty; here in the presence of this sympathetic band of friends and brothers we consecrate and dedicate this spot to our dead.

County is Held for the Bonds

Judge Pritchard Reverses Lower Court in Ninety-six Township Cases.

AN INTERESTING QUESTION

Opinions Delivered in Two Other Cases, Both Reversing Lower Court.

The United States Circuit Court of Appeals convened to-day for a session of ten days in this city, after which it will go to Asheville, N. C., for a ten days' session there. Cases affecting the States of Virginia, Maryland and West Virginia will be argued in this city, and those affecting the people of the Carolinas will be heard at Asheville, where the summer climate is particularly fine and conducive to work. As usual, the court signified its semi-annual assembling by handing down opinions in several cases, and it is understood that others will be delivered later during the term.

Circuit Judge Jeter C. Pritchard, of North Carolina, wrote the opinion of the court in all three of the cases decided, and in each case the opinion was a reversal of the trial court. One of the most interesting cases decided was that of B. Ellen Folsom, et al., plaintiffs in error, vs. Greenwood county, S. C., defendant in error, from the Circuit Court at Charleston. In this case the plaintiff sued the county of Greenwood on certain defaulted bonds of the defunct township of Ninety-Six, in South Carolina. After the bonds were issued and the debt contracted the township was as a result of a change in the county line merged into Greenwood county, and the charter of the township was repealed. This left a question as to responsibility for payment of the bonds. The trial court decided that the county of Greenwood was not responsible. The opinion of the Appellate Court, delivered yesterday reverses this decision and remands the cause.

Other Cases Decided. The judges who will sit during the term are Circuit Judges Nathan Goff, of West Virginia, and J. C. Pritchard, of North Carolina; District Judges Thomas R. Funnell, of Raleigh; Thomas J. Morris, of Baltimore, and William H. Brawley, of Charleston, S. C.

The following cases were decided in addition to that mentioned: No. 150. T. M. Master, trustee of New River Miner Company, bankrupt, plaintiff in error, vs. George M. Seeley, defendant in error; in error to the District Court at Abingdon, Va. Opinion by Judge Pritchard, Reversed with costs, and remanded.

No. 68. Southern Railway Company, plaintiff in error, vs. William M. Logan, defendant in error; in error to the Circuit Court at Charleston, S. C. Opinion by Judge Pritchard. Reversed with costs, and remanded for a new trial.

Wandering Preacher, in Bad Health, Commits Suicide.

A young colored man, Frank Harris, by name, committed suicide on yesterday afternoon by throwing himself into the canal from the Ninth Street bridge. Ne

one saw the negro jump, but he had been seen wandering around the locality, and it would have been impossible for him to have fallen over the high guard rail. The body was seen in the water by Vetchman Coles, of the Chesapeake and Ohio Railway, who notified the police.

A large crowd gathered, waiting to see the body taken from the water. Coroner Taylor said last night that from letters and papers found on the man, he must have been a wandering preacher. He further said that the negro was young, being between twenty-five and thirty years of age, and in bad health.

In his pocket was a letter from Washington Synod Council. The body was taken to Johnson's place, where it will remain until burial.
